LATIN AMERICAN

SPECTACULAR

LATIN AMERICAN SPECTACULAR (K-12)

As the title states, this show is absolutely spectacular! Your students will witness a dazzling production featuring all new choreography, music and costumes from Hispanic nations of the Caribbean, Central and South America.

The show opens with an authentic representation of indigenous dance inspired by South American native tribes, leading into Son de la Negra, a fusion of Spanish Colonial and Mexican traditions. Your students will also be treated to the African influence represented in the Colombian Cumbia, exciting Salsa (Cali, Colombia version), the Chanqueteo, Mambo and Conga from Cuba. The program will also include the Tango, Malambo, Bombos and the magic of Argentinean Boleadoras; Merengue from the Dominican Republic, Marinera Nortena from Peru, and who could forget Brasil, represented by the batucada (drums) and of course the colorful and majestic Samba.

This performance is an authentic, multicultural experience, concluding with an interactive segment for a select number of students dancing on stage with our featured international artists.

(The number of students able to participate in the interactive portion of the show may vary, please inquire at check in for more information).

2nd Show
(11:15 a.m. - 12:20 p.m.)

BAILANDO ESPAÑA with Tablao Flamenco (6-12 grade)

The rich cultural heritage of Spain inspired this intense display of music and dance. The artistic opening begins with a Medley of folkloric dance and music, leading into the Muneira and Jota, two dances rooted in Spanish folklore, followed by "Rumba Flamenca", a musical piece performed by our live musicians. We then move on to next dance Escuela Bolera, followed by the Copla (a special segment inspired by Lola Flores, a renowned dancer, singer and actress from Spain).

The next section of the performance is dedicated to the time honored tradition of Flamenco inspired by the grand capital of Spain, "Madrid", featuring Guajiras, Martinete, Colombiana, and Rumba.

Between dances, the audience is treated to live classical guitarists performing a variety of traditional Spanish music which then concludes with select audience members invited to participate in an interactive portion of our show, and join the artists on stage to dance the "Mas Macarena".

(The number of students able to participate in the interactive portion of the show may vary, please inquire at check in for more information).
